343.01 DRIVING ACROSS GRADE CROSSING.

- (a) Whenever any person driving a vehicle approaches a railroad grade crossing under any of the circumstances stated in this section, the driver of such vehicle shall stop within fifty feet but not less than fifteen feet from the nearest rail of such railroad, and shall not proceed until he can do so safely. The foregoing requirements shall apply when:
- (1) A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train;
 - (2) A crossing gate is lowered or when a human flagman gives or continues to give a signal of the approach or passage of a railroad train;
 - (3) A railroad train approaching within approximately 1,500 feet of the street or highway crossing emits a signal audible from such distance and such railroad train, by reason of its speed or nearness to such crossing, is an immediate hazard;
 - (4) Any approaching railroad train is plainly visible and is in hazardous proximity to such crossing.
- (b) No person shall drive any vehicle through, around or under any crossing gate or barrier at a railroad crossing while such gate or barrier is closed or is being opened or closed. (WVa Code 17C-12-1)

343.02 STOPS AT DANGEROUS GRADE CROSSINGS.

Council or other designated traffic authority with the approval of the State Commissioner of Highways is hereby authorized to designate particularly dangerous highway grade crossings of railroads and to erect stop signs thereat. When such stop signs are erected the driver of any vehicle shall stop within fifty feet but not less than fifteen feet from the nearest rail of such railroad and shall proceed only upon exercising due care. (WVa Code 17C-12-2)

343.03 STOPPING AT GRADE CROSSING.

- (a) The driver of any motor vehicle carrying passengers for hire, or of any school bus carrying any school child, or of any vehicle carrying explosive substances or flammable liquids as a cargo or part of a cargo, or of any vehicle owned by an employer which, in carrying on such employer's business or in carrying employees to and from work, is carrying more than six employees of such employer, before crossing at grade any track or tracks of a railroad, shall stop such vehicle within fifty feet but not less than fifteen feet from the nearest rail of such railroad and while so stopped shall listen and look in both directions along such track for any approaching train, and for signals indicating the approach of a train, except as hereinafter provided, and shall not proceed until he can do so safely. After stopping as required herein and upon proceeding when it is safe to do so the driver of any such vehicle shall cross only in such gear of the vehicle that there will be no necessity for changing gears while traversing such crossing and the driver shall not shift gears while crossing the track or tracks.
- (b) No stop need be made at any such crossing where a police officer or a traffic control signal directs traffic to proceed.
- (c) This section shall not apply at street railway grade crossings within a business or residence district.
(WVa Code 17C-12-3)

343.04 MOVING HEAVY EQUIPMENT ACROSS GRADE CROSSINGS.

- (a) No person shall operate or move any crawler-type tractor, steam shovel, derrick, roller or any equipment or structure having a normal operating speed of ten or less miles per hour or a vertical body or load clearance of less than one-half inch per foot of the distance between any two adjacent axles or in any event, of less than nine inches, measured above the level surface of a roadway, upon or across any tracks at a railroad grade crossing without first complying with this section.
- (b) Notice of any such intended crossing shall be given to a station agent of such railroad and a reasonable time be given to such railroad to provide, proper protection at such crossing.
- (c) Before making any such crossing the person operating or moving any such vehicle or equipment shall first stop the same not less than fifteen feet nor more than fifty

feet from the nearest rail of such railroad and while so stopped shall listen and look in both directions along such track for any approaching train, and for signals indicating the approach of a train, and shall not proceed until the crossing can be made safely.

- (d) No such crossing shall be made when warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a railroad train or car. If a flagman is provided by the railroad, movement over the crossing shall be under his direction. (WVa Code 17C-12-4)

343.05 THROUGH STREETS AND STOP INTERSECTIONS.

- (a) Council or other designated traffic authority may designate through streets or highways and erect stop signs at specified entrances thereto or may designate any intersection as a stop intersection and erect like signs at one or more entrances to such intersection.
- (b) Every such sign shall bear the word "Stop" in letters not less than six inches in height and such sign shall at nighttime be rendered luminous by steady or flashing internal illumination, or by a fixed floodlight projected on the face of the sign, or by efficient reflecting elements on the face of the sign.
- (c) Every stop sign shall be erected as near as practicable to the nearest line of the crosswalk on the near side of the roadway. (d) Every driver of a vehicle approaching a stop sign shall stop before entering the crosswalk on the near side of the intersection or in the event there is no crosswalk shall stop at a clearly marked stop line, but if none, then at the point nearest the intersecting street or highway where the driver has a view of approaching traffic on the intersecting street or highway before entering the intersection except when directed to proceed by a police officer or traffic control signal.

(WVa Code 17C-12-5)

343.06 DRIVING ONTO ROADWAY FROM PLACE OTHER THAN ROADWAY; STOPPING AT SIDEWALK.

The driver of a vehicle within a business or residence district emerging from any alley, driveway or building shall stop such vehicle immediately prior to driving onto a sidewalk or onto the sidewalk area extending across any alleyway or private driveway, and shall yield the right of way to any pedestrian as may be necessary to avoid collision, and upon entering the roadway shall yield the right of way to all vehicles approaching on such roadway. (WVa Code 17C-12-6)

343.07 STOPPING FOR SCHOOL BUS; SIGNS AND WARNING LIGHTS; SALE OF SCHOOL BUS.

- (a) The driver of a vehicle upon meeting or overtaking from either direction any school bus which has stopped for the purpose of receiving or discharging any school children shall stop the vehicle before reaching such school bus when there is in operation on such school bus flashing warning signal

lights, as referred to in West Virginia Code 17C-12-8 and such driver shall not proceed until such school bus resumes motion, or is signaled by the school bus driver to proceed or the visual signals are no longer actuated. This section applies wherever the school bus is receiving or discharging children, including, but not limited to, any street, highway, parking lot, private road or driveway: provided, that the driver of a vehicle upon a controlled access highway need not stop upon meeting or passing a school bus which is on a different roadway or adjacent to such highway and where pedestrians are not permitted to cross the roadway. If the identity of the driver cannot be ascertained, then any such owner or lessee of the vehicle in violation of this subsection shall be subject to the penalty provided for a violation of this subsection provided, however, that such conviction shall not subject such owner or lessee to further administrative or other penalties for such offense, notwithstanding other provisions of the West Virginia Code or this Traffic Code to the contrary.

- (b) Every bus used for the transportation of school children shall bear upon the front and rear thereof a plainly visible sign containing the words "school bus" in letters not less than eight inches in height. When a contract school bus is being operated upon a street or highway for purposes other than the actual transportation of children either to or from school, all markings thereon indicating "school bus" shall be covered or concealed. Any school bus sold or transferred to another owner by a county board of education, agency or individual, shall have all flashing warning lights disconnected and all lettering removed or permanently obscured, except when sold or transferred for the transportation of school children. (WVa Code 17C-12-7)

343.08 OBSTRUCTING INTERSECTION OR CROSSWALK.

No driver shall enter an intersection or a marked crosswalk unless there is sufficient space on the other side of the intersection or crosswalk to accommodate the vehicle he is operating without obstructing the passage of other vehicles or pedestrians, notwithstanding any traffic control signal indication to proceed.

343.99 PENALTY.
